down.

A loose nut can cause an auto accident,
but so can a tight one!

By walking straight you are likely to get
into the best circles.

When someone has a clear conscience,
it often means he has a bad memory.
Confucius

Difficulties in life are intended to make us
better, not bitter.

You'll never get ahead of anyone as long
as you are trying to get even with him.

When a person is always right, there is
something wrong.

Some people think that a secret is either
too good to keep, or not worth keeping.
Frank Mihalic

Feed your faith and your doubts will
starve to death.

No one can see behind his back, and
that's where his faults are.
African proverb

Some get - and forget;
Others give - and forgive.

There is a time to let things happen and
a time to make things happen.

The road to happiness is always under
construction.

Most people believe in law and order as
long as they can lay down the law and
give the orders.

If 'CON' is the opposite of 'PRO', what is
the opposite of 'PROGRESS'?

If you want to realize your own
importance, put your finger into a bowl of
water, take it out, and look at the hole.
Robert Burdette

Some people are horribly simple;
Others are simply horrible.
Josef Konrad Scheuber

A smile is a curve that can set many
things straight.

There are hundreds of languages in the
world, but a smile speaks all of them.
Rose Butikofer

The time spent in thinking
is never wasted.
William Barclay

Wise people believe half of what they
